

FAMILY SPEECH & THERAPY SERVICES

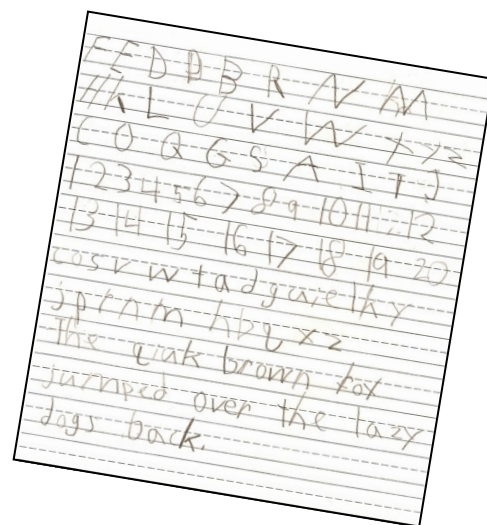

Handwriting Groups

Little Writers is a therapeutic handwriting group designed for younger children struggling with prewriting and writing skills. This group will be led by an occupational therapist who will implement the *Handwriting Without Tears* method. *Handwriting Without Tears* is a multisensory approach to writing which can benefit children with various learning styles: visual, tactile, kinesthetic, and auditory. The group will use unique materials that engage children who need help with prewriting skills including letter identification, prewriting shape formation, beginning letter formation, posture, and functional grasping of the writing utensil and paper.

**Groups are forming on Monday, Tuesday or Wednesday
June 21 to August 14 (8 weeks)
Ages 4-6
Cost: \$225**

Handwriting Helpers is a therapeutic handwriting group designed for children with mild to moderate handwriting difficulties. This group will be led by an occupational therapist who will implement the *Handwriting Without Tears* method. *Handwriting Without Tears* is a multisensory approach to writing which can benefit children with various learning styles: visual, tactile, kinesthetic, and auditory. The group will use unique materials that appeal to children who need help with letter formation, legibility, spacing, reversals, placement, posture, and grasping the writing utensil and paper.

**Groups are forming on Monday, Tuesday or Wednesday
June 21 to August 14 (eight weeks)
Ages 6-10
Cost: \$225**

For information regarding group times and registration please call 763.755.4275

Private Occupational Therapy

Private occupational therapy evaluation and intervention is available for children with writing difficulties. Private occupational therapy sessions are beneficial for children who have specific sensory processing difficulties, may benefit from reduced distractions, or may respond better in a private session with one-on-one intervention. Private occupational therapy is typically covered by most insurance plans.
