

FAMILY SPEECH & THERAPY SERVICES

Social Skills Groups

Partners in Play is a therapeutic group designed to improve each child's self-confidence and ability to make and maintain friendships. These goals will be accomplished through direct instruction and skill building activities. The curriculum will be customized to meet the needs of each child in the group. This group is led by a speech-language pathologist and an occupational therapist.

Tuesdays 1:15 to 2:15

June 22 to August 10

Ages 4-6

Cost: \$300

Each group has a minimum of five participants

Social Thinkers is a therapeutic group designed to increase each child's self-confidence and promote positive social interactions. These goals will be accomplished through skill building activities that target conversation skills, basic perspective taking, and cooperative play. The curriculum will be customized to meet the needs of each child in the group. This group is led by a speech-language pathologist and an occupational therapist.

Thursdays 1:15 to 2:15

June 24 to August 12

Ages 7-9

Cost: \$300

About Family Speech & Therapy Services

Family Focused Approach

At Family Speech & Therapy Services we provide the highest quality speech therapy and occupational therapy, to help children and adults reach their fullest potential. Families and caregivers receive information and training, empowering them to help their loved ones. We are committed to helping individuals and families achieve their goals. All treatment is provided in a one-on-one setting and a home program of activities is specifically designed to continue therapy outside of the clinical setting.
